EDUCATION

University of Luxembourg, Cert. in Sust. Dvlp and Soc. Innov. 09/2017-Present

FEA, University of São Paulo, Erasmus Mundus 07/2016-01/2017

University of Namur, M.B.A, Distinction 09/2015-06/2018

Thesis | “Towards Green Companies: A Panel Data Study of The Environmental and Financial Performance Nexus”, available on my [GitHub](#) account.

University of Namur, B.B.A 09/2012-09/2015

CE Saint-Joseph of Chimay, High School, General Studies 09/2007-06/2012

EXPERIENCE

Assistant, Sustainability Practice at [IMS Luxembourg](#) 09/2017-03/2018

A catalyst for social innovation, IMS is the luxemburgish network that accompanies organisations in their commitment to Corporate Social Responsibility (i.e. CSR) by enhancing dialogue with their stakeholders. During this experience, first I contributed to the realization of a study aiming at evaluating the level of CSR of the companies network. Then I supported the organization...

Credit Risk Data Analyst Intern at [BIL Luxembourg](#) 01/2017-06/2017

BIL is the oldest private banking group in the Grand Duchy and is among the country's top three banks. My daily mission was to validate and to ensure consistency of credit risk database. This experience allowed me to develop strong knowledge in the Basle legislation and strengthen my data analytics and computer coding skills (i.e. VBA, SQL and SAP BO).

Campus Consultant at [4uCampus](#) 09/2015-03/2016

4uCampus is a Belgian company created in 1994 which offers reductions on newspapers, magazines, computers, softwares and printers to students and teachers. As Campus Consultant my main mission was: (i) sales of subscriptions of press titles to students and academic staffs, (ii) give speeches in public, (iii) prospecting.

Consulting Project at [Lunch Garden](#)

09/2015-01/2016

Lunch Garden is a Belgian fast food chain with more than 70 restaurants. With a team of 4 highly motivated junior consultants we carried out a consulting project to improve its employer branding.

Barman and Server in Namur

09/2012-12-2015

Because being a student is costly, I had to work during my cursus. Mainly in the HORECA domain, I have learned how to make really tasty cocktails which I could gladly reproduce for my future colleagues.

LANGUAGES

Programming

Proficient: R, Rmarkdown, Reproducible Research, L^AT_EX, GitHub, VBA, Pack Office
